Online Data Entry Work

We want data entry Operator (Pangaeax) Who know English Basic Level. for our project. This is a typing project and requires 2-3 hours of work per day. We receive these projects from our clients in India, Canada and UK.

Typing Works With 90% accuracy. listen 1 thing we don't know any font size or name which is in PDF so you need to study on it. we want same to same content from PDF into MS word.

You need to save File name of word with name of Example - pragya01.docx , pragya02.docx, etc

1 PDF page = 1 Word file

Total Number Of Pages- 5000

Rate Per Page- 8.00 USD

Deadline- Here You don't have to worry about deadline as It's a Long Term Project we need 25 Pages on every 4-5 Days.

Payment Cycle- We will Pay You On Every 25 Page.

If you have GST NO - so We go through Pangaeax

If you not Have GST NO - so We go Directly

Before we start I must clear you one thing that we go through (fiverr) IP agreement which cost one 1134 INR you need to pay this amount to us don't worry it's totally refundable after 10 pages submission

Note -: Without ip agreement fees we can't proceed so if you agree type yes otherwise no need to send message.
